

Dear Sir,

This correspondence is
to confirm the opening
of the Medical
College of Alabama.

Kindly report to
classes on Monday,
14th of November of
this year, 1859.

Very truly yours,

Enjoy a preview of the
Alabama Museum of the Health Sciences
with a well-timed exhibition

How did 19th century medical students learn?

The inaugural display features the
Nott Pathological Specimens
purchased for the Medical College of Alabama,
the predecessor to the
University of Alabama at Birmingham School of Medicine

*See first class teaching tools from
160 years ago in a brand new
21st century setting.*
